

4bar envelope liner template

- 1) Cut out the liner template below.
- 2) Trace the template on our Designer Sticker Sheets or any other desired decorative crafting paper.
- 3) Lift flap, keeping the liner folded, and slip scrap paper under liner to protect envelope from glue.
- 4) Apply glue stick around the liner edge.
- 5) Slip out scrap paper, fold down the envelope flap onto the liner, rubbing to adhere.
- 5) Enjoy!
